Subject: Wording for the new page that will contain the four documents

Hi Suzanne,

I put this as a placeholder intro, but feel free to completely rewrite it—thanks! (For example: Workplan vs. workplan vs. Work Plan—and anything else you'd like me to change below)

Below are the Gold King Mine Work Plan, the Task Order Statement of Work from 2014 under which the Workplan was created, the Health and Safety Plan, and the related water treatment plan.
